Randy began to hyperventi-  
late when he saw the Doctor!

“I’m sure I’ve got liver dis-  
ease”

“ That’s ridiculous”  
said the Doctor

You’d never know if you  
had Liver Disease.

There’s no discomfort of any  
kind.

“ Exactly” said Randy  
those are my precise symp-  
toms.

## Lions Park Playground Equipment

Are We having fun or what ?

The Lake Windermere and District  
Lions donated some major new  
playground equipment for the  
Lions Park in Invermere. Twelve  
Lions’ members were on hand to  
install the new equipment on  
Thursday, September 18<sup>th</sup>. The  
volunteers got some good exercise  
and tested their mechanical abilities. Three cheers for Harold who did the  
most dangerous “high wire work” and for President Al Lynch who provided  
coffee.

Other contributors were The District of Invermere, Home Hardware and  
Scandia Concrete.

Lion Herb reports that the new equipment is a big hit and the park has never  
been so busy.
